

How to attend this fall's RNSHS virtual lectures

You will need to download the free Zoom application on whatever device you plan to use to watch the lecture (There is an app for a regular computer and for a phone or tablet.)

<https://zoom.us/support/download>

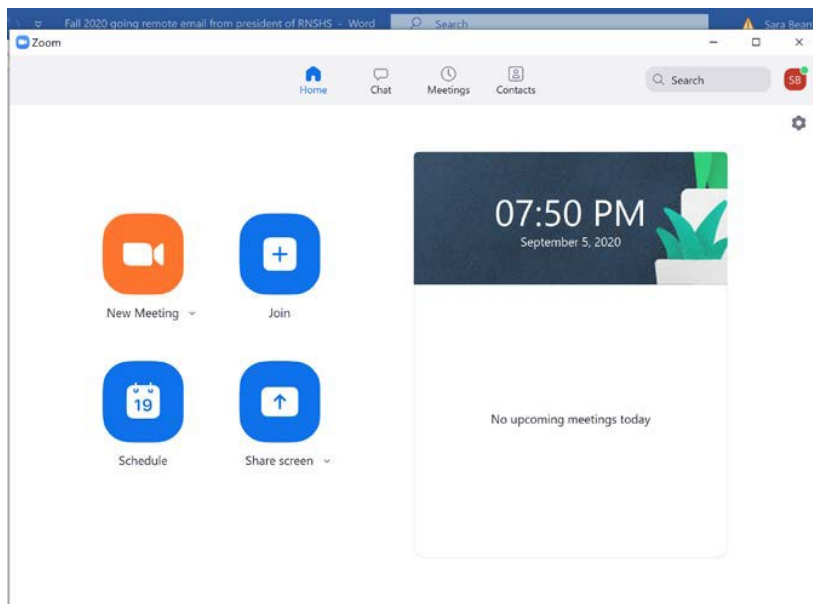

Each month, three or four days before the lecture, you will receive in your email (at the address by which you are getting this message) an invitation from Sara Beanlands to join a Zoom meeting on the date of that month's lecture. Save that message.

In that email, there will be a link that looks like this:

Sara Beanlands is inviting you to a scheduled Zoom meeting.

Join Zoom Meeting <https://us02web.zoom.us/j/8653595625> (the link will change for each lecture)

On the day of the meeting, launch the Zoom application. Then, sometime between 6:45 and 6:55, click on the link in the email. You will be connected to see a screen that includes a solid coloured digital "button" with the word "join."

Click on that button and the host will merge you into the meeting.

To ask a question during the discussion period, type your question using the "Chat" feature. Following the presentation, the VP Programs will start things off by reading the questions that have been submitted. The speaker will answer as many as they can manage in a discussion period of our usual length.
